1. Who can see My hand come forth in My anointed;
My anointed who love Me;
My anointed who come forth now;
Now; at dawn not, but yea now, yea now in every vocation;
My anointed in worlds far and near, for worlds far and near;
My Anointed/My Messiah, yea One;
One heart, one mind, one Father, one body, yea many being.
I love you. I give you Me.

2. Who can see the hand of My anointed come forth now? Who can see My hand come forth in My anointed who now choose Me in surrender to My loveliness; My statehood not; being Me, being them, yea in existence pre/post, and was there either; or have we been; are we all along and forever will be?

3. I love you mighty 1, and 1; **and now just keeps one-ing, and never stops/never ends, for the end isn't. I love you.**

4. **The end is, and who can see what I mean? Is time circular, repeating itself in versions past, present, and future; or is the now always is?**

5. I love you. I give you Me.

6. My gigantic come forth; gigantic in My heart, gigantic in My values, gigantic with compassion. Yea **giants of only Me come forth, yea who redeemers are.**

7. **And think it not strange who comes in now and sits in My classes, yea My lectures; and listens and considers and bows before all; knowing My values; taking residence in Me not, but knowing they always have had; they are, now one.** I love you.

8. Think it not strange who comes now and says this and that; but this and that and the other; "But wait/listen! I want to understand and bow I do before you" for they see you bowing before them in mercy/kindness; and taste your body broken; and know it's all love, it's all Me, and there's no taint drawing them to you; for you point all to Me/Father, yea Father's heart; and who is Father's heart; yea you show all from now on, and on never stops.

9. I love you. I give you Me. My word is true. My Son is yours. You are My Son. This day I have begotten thee not, for I already have/you are, and My begotten are; and My begotten come forth now, knowing they are one/begotten in Christs; consume not each other, but yea now, consume My delicacies, My truths; and come forth strong/stronger; the strongest; in meekness; and ye standing/walking through all.

10. Water; I love you.
Now pure of only me.
See what I have said.
I love you.

11. All changes so quickly. You are ready, you have prepared, and you wait before Me; **in the presence of your/My enemies, I anoint your head with oil;** and all see, and no one is ashamed; for I am lifted up; the Son of man comes forth in glory; a castle built in the sky for all to consume, not; yea with their gawks and pointings, and exclamation points piercing; but yea a man who knows My heart; who has laid in My arms and died, and resurrection'd before the world; yea **Me in My temple/living stones of perfection; leading in concert of one; bowing; martyring not; their being, martyred; for death has no hold on any/any more who surrendered are, and one become.** I give you Me.

12. **Thou art a priest in The Melchizedek. Yea thou art Melchizedek; yea all are Melchizedek, in the order of Melchizedek; one order/one priest; yea unto Father/Father is.** I love you.

13. All see/know, and understand; and you behold My glory/the healing of healers, nay, My Father; in whom is all gloriousness, yea, in/beside/permeating all who love Him; now Me/all. I love you/give you this day.

14. Think it not strange who cometh forth to pledge/publish/yield/sign/surrender, and state their cause not in petition or with agendas; **but yea the meekest ascribe only to Me now; Seek The Meek, and Meek are/become.**

15. I love you.
I love you all.
I give you Me.
Thank you for arising;
Strength/rest/blessing/peace.

16. Many come so soon; giants are; in meekness, yea glory.

17. Watch Me/one. Behold one/one beholding one; and all glorify are/Father; yea, limitlessness now; **yea all understood/walked in/flight in, yea in passage secure.** Thank you, secure-er; My lover-leader; lover of 1/leader of 1; **leading all to love, and loving all to lead. My title, yea see, My title to this: You My Banner.** I love you. **Thank you for bowing before all.**

18. My values for a kingdom not; My values in and permeating My Kingdom to be My kingdom; knowing the limitlessness of My diadem/scepter/crown/robe/sandals; flight/passage at will, in ultimate surrender. I give you Me. Thank you. Amen.

19. She comes/they come/they arise so soon; and glorious are, yea Gloria's/glorious gloriousness. My time is now; My Residency is 1 (1); in 3 months who can see another (2), and where is (3)? I give you all. I give you Me. May 15th so soon (4); and all gloriousness upon Me/all who choose. I love you. Good night.

20. This is My appearing in Me; yea the prophet Joel; in living stones unto perfection. Watch Me. Watch Me. Behold Me; and yea you will see/be/have become; and who bows before who? All, yea, before all. I love you.
Me.
